Investigator Reynolds submitted a **report** of the following interviews:

Detective Brian Forberg # 21249, Area 2 Violent Crimes gave the following synopsis of the police involved shooting to the Roundtable Panel: On 22 August 2008, Officer Zachary Rubald and his partner, Officer Miguel Romero, were working Beat 634. The officers were in the vicinity of 89th and Cottage Grove when they monitored a broadcast of "Shots Fired" in the area of 89th and St. Lawrence. Officers Rubald and Romero traveled westbound on 87th Street and then turned onto St. Lawrence. The officers came upon a group of citizens who directed the officers to go eastbound on 89th Street. Upon arrival on 89th Street, the officers observed a group of black males walking eastbound near Langley Ave. Officers Rubald and Romero stopped and exited their vehicle to conduct a street stop. At that time, one of the black males, now known to be Martinez Winford, broke away from the group and fled on foot. Mr. Winford ran southbound on Langley Ave. and then westbound into an alley with Officers Rubald and Romero in pursuit in the squad car. Once the squad car entered the mouth of the alley, Mr. Winford removed a firearm from his waistband. Mr. Winford placed his hand on the top of a fence and pointed the firearm in the direction of the squad car. The squad car stopped and passenger Officer Rubald opened the squad car door and while seated in the vehicle fired two rounds in the direction of Mr. Winford. Simultaneous to Officer Rubald firing in the direction of Mr. Winford, Mr. Winford jumped up and went over the fence and fell to the ground. The firearm, held by Mr. Winford dropped to the ground. Officer Rubald handcuffed Mr. Winford, and secured the recovered firearm. Officer Romero radioed for EMS and stood guard over the firearm. CFD transported Mr. Winford to Christ Hospital where he was pronounced by Dr. Salzmman at 2034 hours. (Att. 5)

Officer Miguel Romero gave the following account of the incident to the Roundtable Panel: Officer Romero with partner, Officer Zachary Rubald assigned to Beat 634 and were touring the vicinity of 87th and Cottage when they responded to an OEMC broadcast of "Shots Fired" in the area of 87th and St. Lawrence. When the officers arrived in the vicinity of 89th and Langley, Officer Romero observed a large group of black males walking eastbound on 89th Street toward Langley. Officer Romero stopped the squad car at 8902 S. Langley and one of the black males, now known to be Martinez, Winford wearing black clothing, fled on foot from the group. Officer Romero and Officer Rublad pursued Mr. Winford in the squad car. Mr. Winford ran westbound in the alley and pursued by Officers Rublad and Romero in the squad car. Beat 633 arrived on the scene and took second position behind the squad car of Officers Romero and Rubald. Officer Romero then heard Officer Rubald yell, "Gun." Officer Romero observed Mr. Winford grab onto the top of the fence with one hand and point a handgun at the officer with the other hand. Officer Rubald still in the sitting position in the passenger seat of the squad car fired two shots at Mr. Winford, striking him. Mr. Winford continued over the fence and fell to the

Officer Zachary Rubald and Officer Miguel Romero were on routine patrol when they monitored a simulcast of "Shots fired" in the vicinity of 89th and St. Lawrence. Officers Rubald and Romero responded to the call and observed a group of black males in the vicinity of where the shots were fired. When Martinez Winford observed the officers, he broke from the group and fled on foot. Officers Rubald and Romero pursued Mr. Winford in their vehicle. Mr. Winford ran in the alley behind the building at 651 East 89th Street and the squad car Officers Rubald and Romero were in followed him. Once the squad car entered the mouth of the alley, Mr. Winford removed a firearm from his waistband and pointed the firearm at the officers who were in full uniform and in a marked squad car. The squad car stopped and passenger, Officer Rubald, while seated in the squad car fired two rounds through the open passenger window in the direction of Mr. Winford. Simultaneous to Officer Rubald firing two rounds in the direction of Mr. Winford, Mr. Winford placed his left hand on top of the fence, pointed the firearm he held in his right hand, in the direction of the officers, jumped up, continued to point the gun in the direction of the officers, went over the fence and fell to the ground. The weapon Mr. Winford held in his hand fell several feet from where he landed on the ground. The Medical Examiner noted that Mr. Winford sustained an entry gunshot wound on the right chest area. The wound coursed from right to left and upward and the bullet lodge within the musculature of the left pectoralis muscle. Examination of the skin about the wound of entrance revealed no evidence of close range fire. Several ear witnesses called "911" and reported that they heard gunshots in the vicinity of 8902 S. Langley. Witness/arrestee [REDACTED] observed Martinez Winford flee from the group of "guys" he was with and run in the alley with Officers Rubald and Romero in vehicle pursuit. Shortly after the squad car traveled into the alley, he heard two shots fired. The accounts provided by Officers Rubald and Romero, witness/arrestee [REDACTED], the Medical Examiner's report, and the calls to "911 are consistent with the crime scene and forensic evidence. Without uncertainty, Officer Rubald's actions were consistent with Department policy to stop assailant Martinez Winford from fleeing into the community while armed and dangerous.
